

## Education

### Fontys University of Applied Sciences

Bachelor | 2019 - present

From research to design to development I mostly worked on projects for companies and stakeholders associated with school. I also followed a Game Design specialization and Smart Mobile Minor.

## Vincent Wnuck

### About Me

I am studying for a bachelor degree in ICT & Media Design at Fontys University of Applied Sciences in Eindhoven.

I'm passionate about designing & creating websites and I am currently looking for a graduation internship!

I also like to go to the gym, draw and hang out with friends.

### ROC Leeuwenborgh

MBO Niveau 4 | 2017 - 2018

### VISTA College

MBO Niveau 3 | 2016 - 2017

Studies involved hardware, IT-helpdesk and setting up networking infrastructures using windows server.

## Work Experience

### Data Typist

Belastingdienst | 2019, 2021

Summer vacation job for more work experience. Work includes filling in user data with good speed and precision.

### Internship front-end developer

DotControl | aug 2021 - feb 2022

Worked on a project for a customer that wanted a webshop, answered research questions, designed webshop components in Figma and created these with Storybook and React.

### Internship front office medewerker

Gemeente Heerlen | 2018 - 2019

Solving second-line IT-related issues through TopDesk tickets, both on location and remote. This was in-house for local government workers. I also assisted with moving projects for entire locations. In total it was 1216 hours.

### Internship IT Employee

PCTronic | 2017

A small store that sells IT products and offers support to customers. My tasks were helping customers with IT-related issues including computers, laptops and phone reparations. In total it was 840 hours.
